

1. The first part of the paper  
 discusses the general theory of  
 the subject. It is divided into  
 three main sections: the first  
 section deals with the general  
 theory, the second section deals  
 with the special theory, and the  
 third section deals with the  
 application of the theory to the  
 subject.

2. The second part of the paper  
 discusses the special theory of  
 the subject. It is divided into  
 two main sections: the first  
 section deals with the general  
 theory, and the second section  
 deals with the application of the  
 theory to the subject.

3. The third part of the paper  
 discusses the application of the  
 theory to the subject. It is  
 divided into three main sections:  
 the first section deals with the  
 general theory, the second section  
 deals with the special theory, and  
 the third section deals with the  
 application of the theory to the  
 subject.
